

UAL UK Comp Dates and Payment Deadlines 2024/25 - Updated 20/12/24

Athlete comp payments this year are split into 2 payment blocks for ease of payment and to reduce the worry of missing comp deadlines!

For each payment block, we will have a payment week during which time you will be able to make payment for the relevant block via our online store. This is different to previous years where we have actioned a manual payment.

The link for comp payments will be posted and emailed on the first day of payment week and will be open for the duration of that week up until the Friday.

Block 1 | LINK - <https://www.unityallstarsleeds.com/category/shop>

Open - 21st October | Closes - 30th October

Prep teams: £83.50

Elite teams: £97.50

Havoc: £142

Block 2

Open - 6th January | Closes - 10th January

Prep teams: £56

Elite teams: £56

Havoc: £107

Crossover athletes will be sent a separate payment link for their cross over entry fees at the start of payment week for each block. Team captains will be sent a discount code to apply against their totals.

Please see below table for comp dates and payments. Please note £2 processing fee is applicable to athlete entry payments per comp. (exception - showcase) this has been already applied to the totals above

EP	EVENT	DATES	LOCATION	1st Entry/Cross	BLOCK	PREP	ELITE	HAVOC

FC (TBC)	Internationals	21st/22nd June	BIC, Bournemouth	£51	TBC			x

Spectator tickets

Each comp handles spectator tickets differently. Once we have finalised info from each comp we will post a similar document as this but for spectator ticket orders. Similarly we will have payment weeks to make it easier for everyone to remember as in the past we have had many parents miss spectator order deadlines.

Update* 20/12/24 - Please see below additional information regarding performance times and spectator ticket entry. Please note these may be draft timings. All timings will be confirmed in full briefs sent out prior to the event. We aim to have briefs sent out 4 weeks before the event however this may vary from comp to comp due to their own publication of running orders.

Schedules

Full event schedules are not usually finalised until after the event registration deadline, however block schedules have been posted for most events. These are subject to change but currently they are below. We will post updated athlete check in and performance times as and when we get draft running orders from comps and aim to post a full final full brief for each event 4 weeks prior to the comp date subject to a finalised running order from the comp.

Where we have draft timings and ticket info these are noted below

UAL Showcase
